## About Us

Wirecraft International is a North American Manufacturer based out of Renfrew Ontario. We are a fully vertically integrated manufacturer with over 100000 sq ft of manufacturing facility.

At Wirecraft International, good customer service is our top priority. Providing our customers with innovative products, that are of good quality at competitive pricing and in a timely manner is our business philosophy.

Being a true North American manufacturer we are able to do custom programs. We appreciate your business and invite you to download our latest catalogue for future reference. For pricing and special requests, please email us at [sales@wirecraft.ca](mailto:sales@wirecraft.ca).

Our products include Plant Supports, Garden Hooks, Trellises, Edging, Planters & Baskets, Coco Liners and Indoor/Outdoor Mats. All our products are well merchandised and made using superior raw materials.

We at Wirecraft are always striving to bring our customer the latest in Wire products. We offer a selection that is of good quality, in style and well priced.

You are now in possession of our latest catalogue, for a copy of your price list please email us at [sales@wirecraft.ca](mailto:sales@wirecraft.ca). You may visit our website [www.wirecraft.ca](http://www.wirecraft.ca) to find the name of your area representative and to download a credit application.
